LIFE Petition: No doubt you have read that the Advertising Standards Agency (ASA) is proposing to allow abortion agencies to advertise on radio and TV. This is deeply offensive, not only to us as a Catholic community, but also to many decent people who seek to uphold the value of human life. It will inevitably lead to yet more abortion, with all of its attendant damage to women's minds and bodies, and also to greater promiscuity and its effects. Jack Scarisbrick, the National Chairman of "LIFE", has organised a petition, calling upon the ASA to think again. ***Please take time to sign the petition at the back of church TODAY.***
